

Housemate questionnaire

Before you decide to either take in a housemate or move into a household, it's a good idea to first work out if you're compatible or not. We've put together a list of questions you can ask as a guide for your conversation. It will help you to determine whether you're a good fit and if you share the same priorities. We're sure you'll have some of your own questions that aren't on this list. So, we've made some room at the end so you can add your own.
